

# FS300 L

## 300 W LED Follow Spot

### Features

This is a new technology of follow spotlight. Equipped with a 300W high power Led white lamp source, it produces super effect to the stage. It's compacted and lighter in size, and produces so much brightness to the stage so that it's a perfect replacement for the traditional 2700W dis-charge lamp followspot.

### Technical Specifications
