

SW218A DSP - SW218

2 X 18" Active DSP Subbas Speakers
2 X 18" Passive Subbas Speakers

Features

SW 218ADSP is a dual 18" active ,SW218 is dual 18" passive bass speaker.
SW218 utilizes two high performance 18" ferrite driver (100mm voice coil and a humidity resistant paper cone), delivering low frequency down to 40Hz (± 10 dB) with high efficiency, excellent dynamics. Ultra compact and solid enclosure made from 18mm high quality plywood and finished with durable polyurea paint.

Technical Specifications

Frequency Response	40Hz - 140Hz(± 3 dB)
Nominal Impedance	4 Ω
Sensitivity(@1w/1m)	113dB
Power Rating	3000 W-6000 W
LF Driver	2 x 18" (100mm voice coil) Ferrite
Maximum SPL	141dB
Weight	92 kg
Dimensions (H x W x D)	1180 x 582 x 730 mm
Enclosure	18mm multilayer plywood
Finish	Black polyurea paint
Grille	Black steel mesh + acoustic transparent cloth
