

## OHS8T

### 8" + 1" Outdoor Horn Loudspeakers

### Features

The OHS8T all-weather outdoor loudspeaker offers superior voice and music reproduction with a 110° x 110° coverage angle from a durable UV protected ABS construction. Outdoor level of IP55 rated for long-lasting reliability in harsh environmental conditions, this 100V transformer built-in all weather outdoor loudspeaker incorporates a coaxial high-power 8" woofer and 1" tweeter that delivers full range frequency response up to 70-20KHz to meet all indoor and outdoor music applications. The all weather loudspeaker is perfect for background and foreground music, paging, and public address & voice evacuation in sports hall, football field, playground, park and outdoor live performance applications.
