

OHS1010 SUB

2 x 10" Outdoor Horn Subbas Loudspeakers

Features

The OHS1010 SUB 2 x 10" all-weather outdoor Subbas loudspeaker offers superior voice and music reproduction with a Omnidirectional coverage angle from a durable UV protected ABS construction. Outdoor level of IP55 rated for long-lasting reliability in harsh environmental conditions, this 4 OHM built-in all weather outdoor loudspeaker incorporates a coaxial high-power 2 x 10" woofer that delivers full range frequency response up to 50-500Hz to meet all indoor and outdoor music applications. The all weather loudspeaker is perfect for background and foreground music, paging, and public address & voice evacuation in sports hall, football field, playground, park and outdoor live performance applications.
