

# OHS1010

## 2 x 10" + 1.75" Outdoor Horn Loudspeakers

### Features

The OHS 1010 2 x 10" all-weather outdoor loudspeaker offers superior voice and music reproduction with a 120° x 60° coverage angle from a durable UV protected ABS construction. Outdoor level of IP55 rated for long-lasting reliability in harsh environmental conditions, this 8 OHM built-in all weather outdoor loudspeaker incorporates a coaxial high-power 2 x 10" woofer and 1x 1,75" compression driver that delivers full range frequency response up to 65-20KHz to meet all indoor and outdoor music applications. The all weather loudspeaker is perfect for background and foreground music, paging, and public address & voice evacuation in sports hall, football field, playground, park and outdoor live performance applications.
