

OHS12T

12" + 1-3.4" Outdoor Horn Loudspeakers

Features

The OHS 12 T all-weather outdoor loudspeaker offers superior voice and music reproduction with a 60° x 60° coverage angle from a durable UV protected ABS construction. Outdoor level of IP55 rated for long-lasting reliability in harsh environmental conditions, this 100V transformer built-in all weather outdoor loudspeaker incorporates a coaxial high-power 12" woofer and 1-3,4" compression driver that delivers full range frequency response up to 65-20KHz to meet all indoor and outdoor music applications. The all weather loudspeaker is perfect for background and foreground music, paging, and public address & voice evacuation in sports hall, football field, playground, park and outdoor live performance applications.
