

QUA 4

4.5" + 1" 2 Way Wall Loudspeakers

Features

Introducing the QUA Series coaxial speakers, the QUA 4-PAIR is your go-to solution for IP56 rated coaxial speakers. This package includes a pair of QUA 4 coaxial surface-mount speakers, each featuring a 4.5" woofer and a 1" coaxial compression driver delivering a powerful 50W RMS and 200W program power at 8Ω.

The QUA 4-PAIR comes equipped with a built-in 70V/100V/8Ω transformer, enabling seamless connections and operation with a wide-range of professional sound systems. Designed to brave the elements, these speakers come with IP56 all-weather protection, with a water-resistant input cover, guaranteeing stable sound performance and durability in the non-ideal weather conditions.

Whether for indoor or outdoor installations, you can easily mount these speakers on most surfaces with the included 4-way adjustable bracket, complete with yoke wall-mount brackets offering a 180° rotation and adjustable angles in four directions for optimal positioning and installation. Immerse yourself in exceptional sound coverage with the 120° conical sound dispersion, making the QUA 4-PAIR your top choice for premium audio experiences in any setting.
